TITAN® XD MASSIVE CAPABILITIES

It all starts with a solid core, and TITAN XD lays the groundwork with a full-length, fully boxed ladder frame, reinforced in key areas for incredible lateral rigidity. From there, we attach components, many of them tried and proven from our Nissan Commercial Vehicles program. It all adds up to strength, durability, and reliability you can count on for years to come.

WORK SMARTER

TOWING MADE EASY^{1,2}

The available innovative Trailer Light Check makes it easy to tow – even when you’re going solo. Once you’ve hooked up your trailer, you can easily check all brake light connections by cycling through the lights with your Nissan Intelligent Key.[®] No muss, no fuss, no help needed.^{1,2}

ON THE LOOKOUT

With its super-size 7.0" screen, it's easy to use the available Around View[®] Monitor to line up to a trailer. And with the system's virtual 360° composite bird's-eye view, you've got excellent visibility to help you maneuver even in tight spots.^{1,3}

MASTER MULTI-TASKER

TITAN's ready to tackle the tough jobs, with available features like a spray-on bedliner, Utili-track[®] multi-channel system, 120-V in-bed power outlet, and bright LED bed lighting. And thanks to flexible rear-seat storage, you can make the most of the spacious cabin. The available lockable rear-seat cargo organizer helps keep things secure and out of sight, and the container's top even folds out to create a flat floor for easy loading.^{1,4}

¹Available feature. ²2017 TITAN[®] XD Platinum Reserve shown. Towing capability varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo will affect the handling and stability of the vehicle.

PLAY HARDER

SERIOUSLY EQUIPPED

Epic starts where the pavement ends. And with the PRO-4X, model, it's never been more exciting – with a truck-load of advanced 4x4 gear, including Hill Start Assist, Hill Descent Control, and 4-wheel ABLs. It keeps getting better, with unique interior trim and competition-grade equipment that reads like a serious off-roader's wish list.

18" All-terrain Tires

Electronic Locking Rear Differential

Bilstein® Off-road Performance Shocks

TECHNICAL CLIMBER

PRO-4X takes advantage of advanced technology to tackle the most challenging conditions. The Advanced Drive-Assist® Display includes a dedicated off-road display as well as a Tire Pressure Monitoring System. And the Around View® Monitor is a game-changer, helping you rock-crawl and avoid obstacles you might not otherwise see.^{1, 2, 3, 4, 5, 6}

BUILT TO TAKE A BEATING

If you can't go up, over or around, it's good to know that along with oil pan and fuel tank skid plates that are on every 4x4 model, PRO-4X adds transfer case and lower radiator skid plates to help protect vital parts.

¹Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Information displayed is dependent on how vehicle is equipped. ²TPMS is not a substitute for regular tire pressure checks. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁵Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. FIRST CABIN

TITAN® and TITAN XD take a huge step forward in comfort, quietness, and convenience with their premium features. Long hauls, chilly mornings, date nights. You name it, and this truck will spoil you for anything else – even many luxury cars.

- Front and Rear Zero Gravity Seats¹
- Climate-controlled Front Seats²
- Heated Steering Wheel²
- Remote Engine Start System^{2, 3}

TECHNOLOGY ON THE LOOKOUT

Let our people help look after you and your people. With available NissanConnectSM Services, you have a selection of plans and services ranging from remote start access on your compatible smartphone to calling for help if the system senses there's been an accident. Hey, that's what friends are for.^{2, 3, 4, 5, 6}

A BETTER BACK SEAT

Family, friends, or crew, a comfortable rear seat goes a long way to keeping everyone happy. Zero Gravity seats simulate weightlessness to help reduce fatigue, with the added comfort of heated outboard rear seats and dedicated rear vents. There's even a power outlet for charging up.

- Heated Outboard Rear Seats²
- 120-volt Power Outlet²
- Rear Passenger Vents²

EVEN THE DETAILS ARE BIG

Space and innovation mean long-term appreciation of the interior. Relocating the shift lever to the steering column puts controls easily within reach and creates a huge center console – making easy access for driver and passenger alike. Add in little details like a glove compartment lever that's moved towards the center for an easy reach and you might never want to get out.

¹Zero Gravity seats for outboard passengers only. ²Available feature. ³State laws may apply; review local laws before using. ⁴Driving is serious business. Only use NissanConnectSM Services powered by SiriusXM[®] when safe to do so. Late availability for some features. Services, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach NissanConnect Services Customer Care or receive support. Never program while

driving. GPS mapping may not be detailed in all areas or reflect current road status. You are responsible for using Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Remote Engine Start/Stop not available on all models. Cellular network not available in all areas and/or at all times. Cellular technology is evolving and changes to cellular networks provided by independent companies are not within Nissan's or Sirius XM Radio Inc.'s control. Neither Nissan nor Sirius XM are responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict services, service may be terminated without notice and with no liability to Nissan, Sirius XM and/or their respective agents or affiliates. Certain services require a PIN for activation. See NissanUSA.com/connect for details. Enrollment and Subscription Agreement required to receive full suite of services. Terms and conditions of Subscription Agreement apply. Six (6) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid

subscription is required at the then current rate to continue to receive services. Text rates and/or data usage may apply. ⁵Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather[®] service, and SiriusXM[®] Travel Link[®] services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2016 Sirius XM Radio Inc. GET AWAY WITH JUST A WARNING

What if extra reassurance was easy to spot? Available Nissan Intelligent Safety Shield Technologies offer you a suite of advanced systems that help keep an eye out around you.

- Blind Spot Warning⁷
- Rear Cross Traffic Alert⁸
- Moving Object Detection⁹

⁷Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁸Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ⁹MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle.
