

TOYOTA

2026 Prius

Modern look. Dynamic feel. Limitless possibilities.

Feel a connection to a drive that's powered by future-forward style, efficiency, reliability and advanced tech.

See numbered disclaimer footnotes in Info and Disclosures section.

Driving and design that excite.

Taking the shortcut or the scenic route looks great either way.

Bold, Striking Design

Smooth curves and sharp details highlight Prius' modern appeal and do more than create an aerodynamic advantage—they leave you with a sleek silhouette that looks good from any angle.

19-In. Alloy Wheels With Black Finish

Adding to Prius' flowing silhouette are available lightweight 19-in. aluminum alloy wheels. And with a black finish for Nightshade Edition, you'll carry a look that is sleeker down every road.

Nightshade Edition

Nightshade Edition is designed to make a statement at every stop. Whether you're coming or going, its black accents and unique style always make you noticeable.

Distinctive Headlights and Taillights

Prius' captivating front-end design is defined by slim LED headlights, while the rear features a light bar between the taillights to finish off its clean look.

Inviting Interior

Feel inspired every time you enter your Prius. Its modern design centers around you and features stylish details that elevate the driving experience.

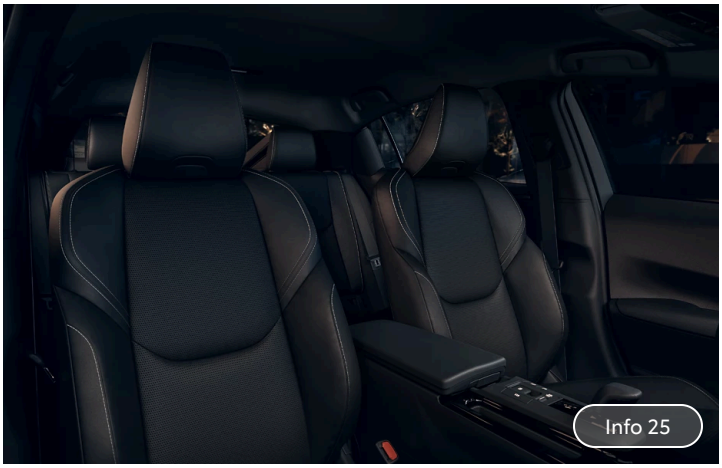

Fixed Glass Roof

Enjoy the view. Pull back the sunshade on the available glass roof and brighten up the cabin.

Nightshade Edition Exterior

Nightshade Edition's black badging, doorsills, black trim, door handles and black shark-fin antenna help you stand out, whether in the sun or under city lights.

Nightshade Edition Interior

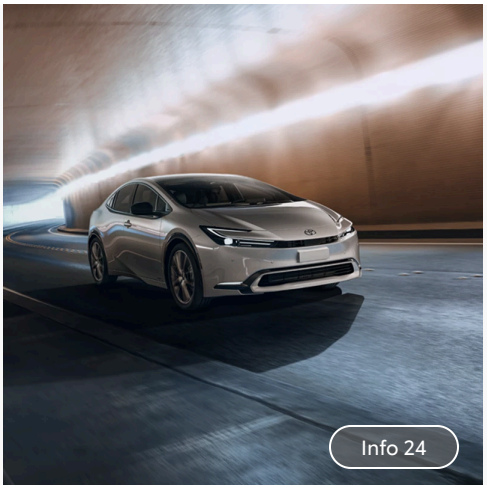

The quality you see and feel inside of Nightshade Edition is highlighted by all-black interior seating with gray stitching throughout.

Equipped to handle the essentials

Performance

Impressive Power

Prius features a powerful hybrid engine: Underneath the hood is a fifth-generation Toyota Hybrid System with up to 196 net combined horsepower, resulting in an impressive 0-60 mph of 7.0 seconds [26] for AWD models.

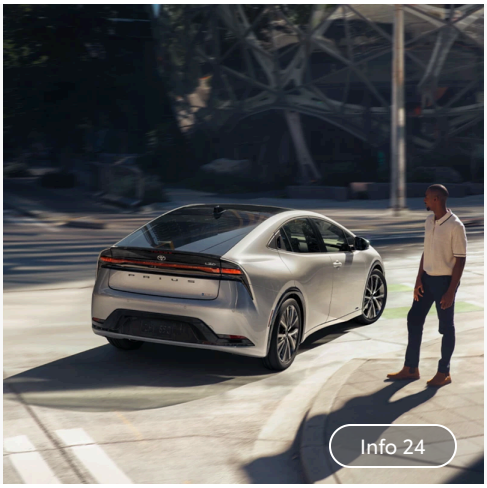

Drive Modes

EV Mode [27] runs solely on battery power at low speeds for short distances. Power Mode sharpens acceleration; ECO Mode helps maximize fuel efficiency; and Normal Mode blends fuel economy with performance.

Impressive Acceleration

Prius delivers power that goes from 0-60 in 7.2 seconds with Front-Wheel Drive (FWD) and 7.0 seconds with All-Wheel Drive (AWD). [26]

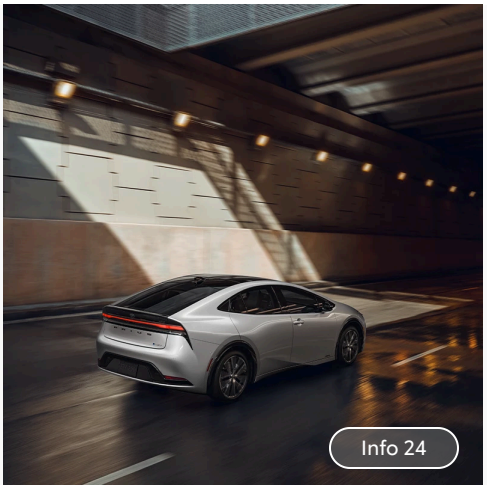

Dynamic Handling

With a low center of gravity, Prius is designed to perform. Feel its nimble handling in every turn and stability during acceleration and braking, for a drive that's all-around confident.

Capability

Hybrid Efficiency

Prius' Hybrid Synergy Drive® system continues with great efficiency. With up to a 57 EPA-estimated combined mpg rating, [28] Prius encourages you to go farther than you thought possible.

Ample Cargo Space

Open Prius' rear hatch to reveal ample cargo room for your things. With up to 23.8 cu. ft. of cargo capacity, [29] there's room to make the most of your adventures.

Electronic On-Demand All-Wheel Drive

Get peace of mind in less than perfect weather. Dedicated electric drive motors automatically provide power to the rear wheels when Prius' available Electronic On-Demand All-Wheel Drive (AWD) senses slipping. When extra traction isn't required, power will continue to be sent to the front wheels.

60/40 Split Fold-Down Rear Seats

Fold down either side of Prius' 60/40 rear seats to adapt to what you've got. Fold them both down to maximize space, and you'll be surprised at how much you can bring along for the ride. [29]

Delight in Your Driving

Take advantage of Prius' advanced tech that not only makes driving easier, but also gives you more driving confidence. You'll find yourself enjoying all the benefits of what Prius can do for you.

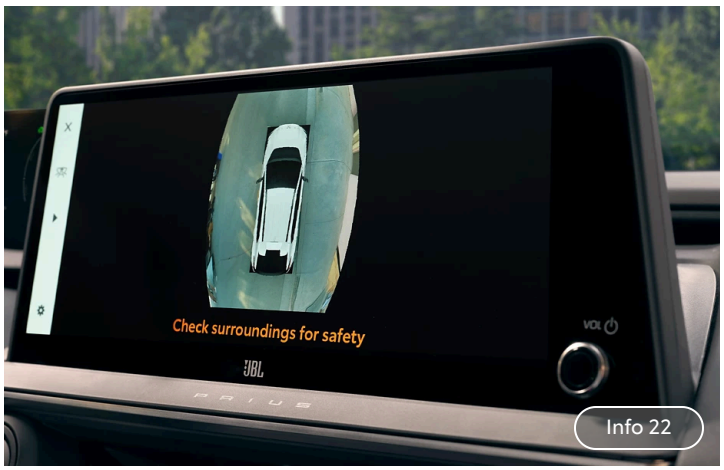

Advanced Park

To assist with parallel parking or backing into a parking space, available Advanced Park [31] is ready with the touch of a button. This hands-free parking system uses cameras and sensors to provide steering, braking, acceleration and gear changes, to help you get into that perfect spot.

Illumination Notification

This available stylish interior accent illuminates as a subtle cue to the driver when a preceding vehicle begins to move from a stop.

Panoramic View Monitor

Prius' available Panoramic View Monitor (PVM) [32] helps you check your surroundings for potential hazards. It uses four cameras, one on each side of the vehicle, to display a panoramic view on the touchscreen display.

Navigation System

Get around with confidence. Prius' available Drive Connect [9] features Cloud Navigation [33] that provides you with current map data, routes and points of interest. 1-year trial included on Limited and Limited AWD. 4G network dependent.

Qi Wireless Charging and USB Ports

Simply place your Qi-compatible device in the charging slot to wirelessly charge up while on the go. [17] And for more versatility and added convenience, Prius comes with six USB-C ports [2] so you can connect and power up a variety of devices.

Digital Gauge Cluster

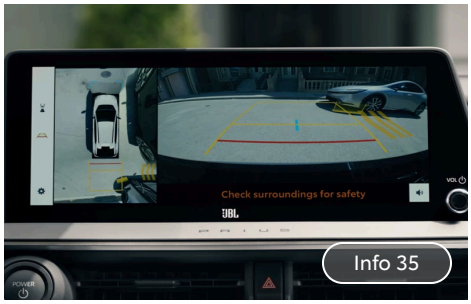

Information that meets the eye. Prius' top-mount digital gauge cluster is placed right above the steering wheel, to clearly give you vehicle details, outside temperature, driver-assist system information and more —all to help keep your eyes on the road ahead.

Safety & Convenience

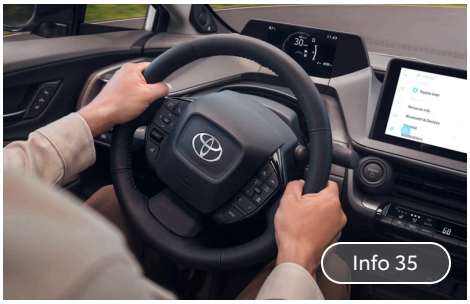

Blind Spot Monitor With Rear Cross-Traffic Alert

Blind Spot Monitor (BSM) [12] warns you when a vehicle in the next lane enters Prius' blind spot on either side. When you're in reverse, Rear Cross-Traffic Alert (RCTA) [13] helps detect vehicles approaching from either side, warning you with side mirror indicators and an audio tone.

Integrated Backup Camera

Put Prius in reverse, and the standard backup camera [14] automatically activates to help show you what's behind your vehicle on the available 12.3-in. multimedia display.

Safe Exit Alert

By using radar sensors inside the rear bumper, Safe Exit Alert (SEA) [15] helps detect approaching vehicles from the rear. If the system determines that there may be a collision with a door opening, it will provide an audible alert, as well as a visual alert that will appear on the side mirrors.

No Cost Maintenance Plan and Roadside Assistance

Every new Prius comes with ToyotaCare, [37] a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first and 24-hour Roadside Assistance for 3 years, unlimited mileage.

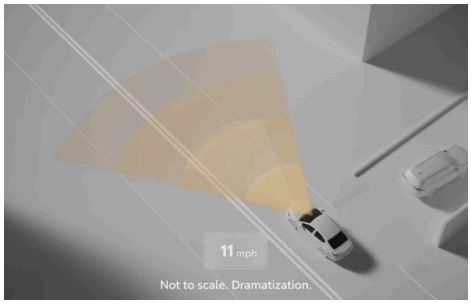

Hybrid Battery Warranty

Peace of mind for the long road ahead. Every Toyota Hybrid Battery Warranty for 2026 models provides coverage for 10 years from date of first use or 150,000 miles, whichever comes first. [38]

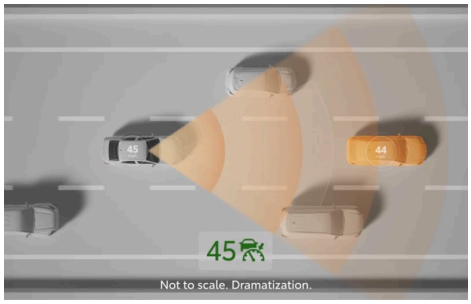

MORE FEATURES

Toyota Safety Sense™ 3.0 [11]

Pre-Collision System With Pedestrian Detection

PCS w/PD [39] can alert you to potential collisions and may automatically brake.

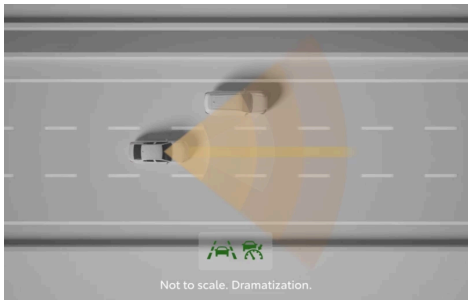

Full-Speed Range Dynamic Radar Cruise Control

DRCC [40] helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

LDA w/SA [41] may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA [42] helps you center the vehicle within its lane while DRCC [43] is active.

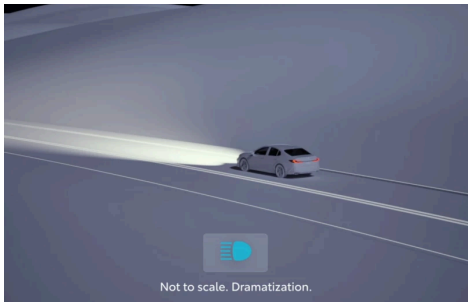

See numbered disclaimer footnotes in Info and Disclosures section.

MORE FEATURES

Road Sign Assist

RSA [44] can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

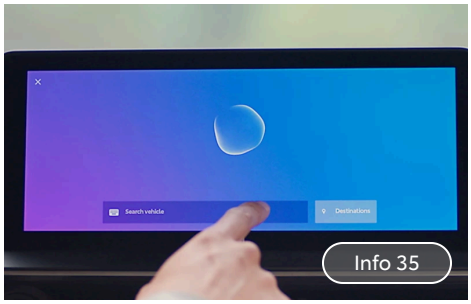

AHB [45] can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA [46] may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Audio Multimedia

12.3-In. Toyota Audio Multimedia Touchscreen

Designed to enhance every moment behind the wheel, Prius' available 12.3-in. Toyota Audio Multimedia touchscreen gives you access to music, smartphone updates and routes to your destination.

JBL® Premium Audio System

Immerse yourself in quality sound with Prius' available JBL® [20] Premium Audio system. This 8-speaker audio system provides phenomenal sound that amplifies every drive.

Wireless Apple CarPlay®

Bring along a familiar interface. With Prius' wireless Apple CarPlay® [3] compatibility, you can use your compatible iPhone® [47] with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused behind the wheel. [48]

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™ [49] phone with the audio multimedia system, wireless Android Auto™ [4] lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more. [48]

SiriusXM® 3-Month Trial Subscription

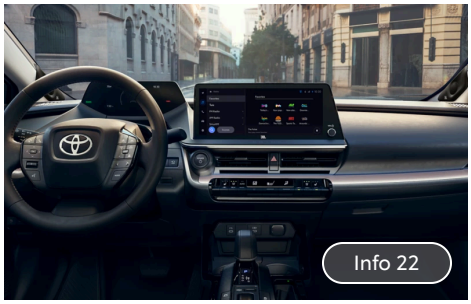

SiriusXM® [5] has premium entertainment that you won't hear anyplace else. With a 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

Connected Services

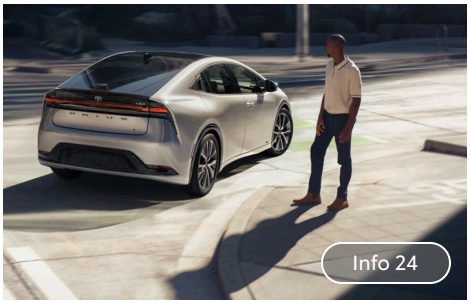

Remote Connect

Prius is up to speed with the latest tech. With an active Remote Connect trial or subscription, [6] you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app [53] through your compatible smartphone or smartwatch. 1-year trial included. 4G network dependent.

Wi-Fi Connect

Turn Prius into a hotspot. With an active Wi-Fi Connect trial or subscription, [7] you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up to 30-day or 3-GB trial to get you started. 4G network dependent.

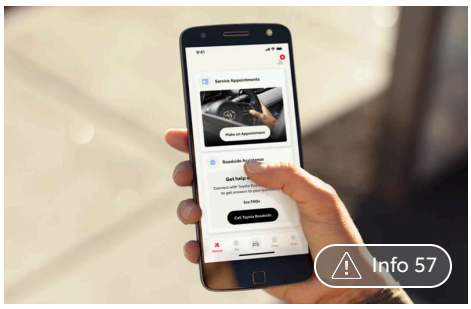

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button. [8] You also get 24/7 Roadside Assistance [54] and Stolen Vehicle Locator [55] to give you peace of mind that help is on the way. 5-year-minimum trial included. 4G network dependent.

Drive Connect

Connect to our 24/7 response center in case of an accident or emergency with the press of a button. You also get 24/7 Roadside Assistance and Stolen Vehicle Locator [55] to give you peace of mind that help is on the way. 1-year trial included on Limited and Limited AWD. 4G network dependent.

Service Connect

Stay up to date with your Prius' information, such as status and alerts, maintenance reminders and more. [10] It's a convenient way to help make sure your Prius is running at its best. 5-year-minimum trial included. 4G network dependent.

Powerfully dynamic.

Hybrid Powertrain

Hybrid Electric Vehicles run on a combination of gas and battery-powered electric motor to maximize power and efficiency. They start, refuel and handle just like the gas-only Toyotas you already know and love.

Plug-in Hybrid Powertrain

Plug-in Hybrid Electric Vehicles run just like hybrids, using a combination of fuel and battery powered electric motor, but have a larger battery pack so can run farther on electric power alone. When the battery uses up its charge, it runs like a regular hybrid.

Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Hybrid EV Prius is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Hybrid EV

Prius is a part of the Hybrid EV Family.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above And Beyond

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

INFO AND DISCLOSURES

1. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **2.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **3.** Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at https://www.apple.com/ios/carplay/. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to https://www.toyota.com/audio-multimedia/. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/support/privacy-notice/. Apple CarPlay® is a registered trademark of Apple Inc. **4.** Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to https://www.toyota.com/audio-multimedia/. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit https://www.toyota.com/support/privacy-notice/. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC. **5.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **6.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **7.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to https://myvehicle.att.com/#/toyota/learn?language=en=US for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See https://myvehicle.att.com/#/toyota/learn?language=en=US for terms and conditions. **8.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **9.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **10.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **11.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **12.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **13.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **14.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **15.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **16.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for

instructions and limitations. **17.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **18.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **19.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. **20.** JBL® is a registered trademark of Harman International Industries, Inc. **21.** Nightshade Edition shown in Karashi. **22.** Limited AWD interior shown in Gradient Black SofTex® trim. Options shown. **23.** Limited AWD interior shown in Gradient Black SofTex® trim. **24.** Limited AWD shown in Cutting Edge. **25.** Nightshade Edition interior shown in Gradient Black SofTex® trim. **26.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **27.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations. **28.** EPA-estimated 57 city/56 hwy/57 combined mpg rating for 2026 Prius LE; 53 city/54 hwy/54 combined mpg rating for 2026 Prius LE AWD; 52 city/52 hwy/52 combined mpg rating for 2026 Prius XLE, Limited and Nightshade Edition; and 49 city/50 hwy/49 combined mpg rating for 2026 Prius XLE AWD, Limited AWD and Nightshade Edition AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive.See www.fueleconomy.gov. **29.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **30.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. Limited AWD interior shown in Light Gray SofTex® trim. **31.** Do not overly rely on Advanced Park and use only in accordance with applicable laws. Remain attentive to surroundings. Before operating, review Owner's Manual for instructions and limitations. **32.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. **33.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **34.** Limited AWD shown in Cutting Edge. Simulation shown. **35.** Limited AWD interior shown in Light Gray SofTex® trim. **36.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to https://www.toyota.com/audio-multimedia/. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit https://www.toyota.com/support/privacy-notice/. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC. Limited AWD interior shown in Gradient Black SofTex® trim. **37.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, Prius, Prius Prime and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **38.** For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details. **39.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **40.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **41.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **42.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **43.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **44.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **45.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **46.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **47.** iPhone® is a registered trademark of Apple Inc. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **58.** XSE Premium shown in Guardian Gray. **59.** Extra-cost color.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
